Dear Sir:

Applicants hereby request that a Notice of References Cited (PTO-892) be issued listing U.S. Patent No. 6,355,610 ("’610 Patent"). The ’610 Patent was first cited by the U.S. Patent and Trademark Office ("PTO") in the Office Action dated May 30, 2007, but an appropriate Notice of References Cited was not included with the Office Action. The ’610 Patent was again cited by the PTO in the Office Action dated March 13, 2009, but the attached Notice of References Cited did not include the ’610 Patent. As the ’610 Patent was cited by the PTO but was never listed on a Notice of References Cited, Applicants hereby request that a Notice of References Cited be issued prior to issuance of the above-identified patent application so that the ’610 Patent will appear on the face of the patent.

Respectfully submitted,

Date: October 21, 2010
